

Easy English – Large Print

About VisAbility Library

VisAbility

The words **we**, **us** and **our**
in this book
mean **VisAbility Library**.

Our books

We have audio books.

You hear the books.

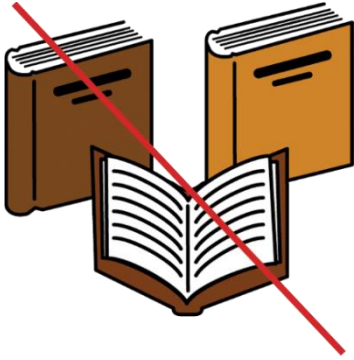

We say **talking books**.

Our books are electronic.

We say **digital talking books**.

Our library

Our library is only for people who can **not** read print books.

Like

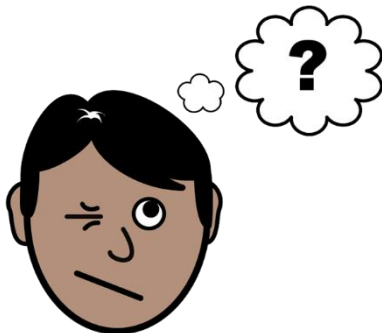

- they can **not see** a print book

or

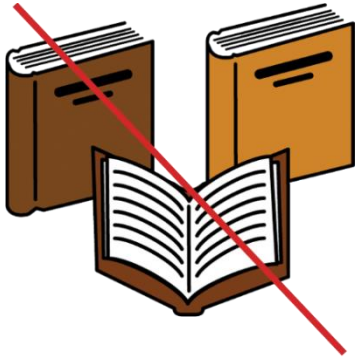

- they can **not hold** a print book

or

- they can **not understand**
a print book.

We say they have a **print disability**.

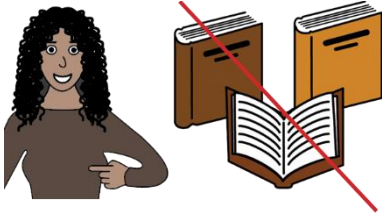

There are lots of types of print disability.

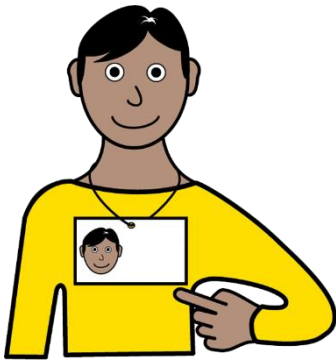

Like

- low vision
- acquired brain injury
- dementia
- physical disability
- dyslexia.

Our members

You must show us you have a print disability to join our library.

Like you may show a picture of

- your disability identity card

or

- a letter from a doctor.

We say **proof of print disability**.

Our libraries

We have an **online library**.

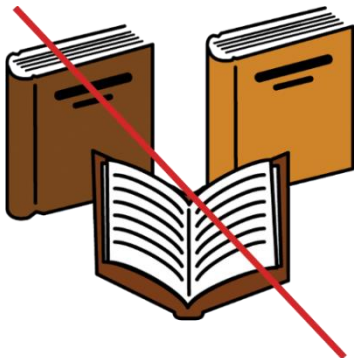

We have a **postal library** too.

Our books are in a special format.

We say **DAISY** audio.

DAISY audio was made for people who have a print disability.

Online library

You may use our online library.

You **download** the books.

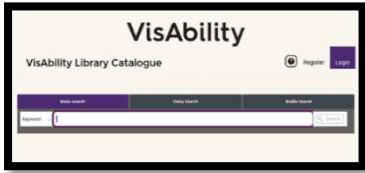

You **listen** to the books.

Any person with a print disability can
join our online library.

You do not have to be a
VisAbility client.

You go to our web site

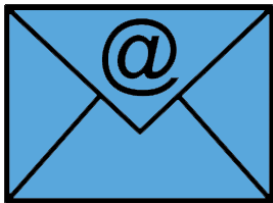

www.visabilitylibrary.com.au

You must

- **attach** your proof of print disability when you **register**

or

- email it to us

library@visability.com.au

You can ask someone to help you.

Postal library

You may use our postal library.

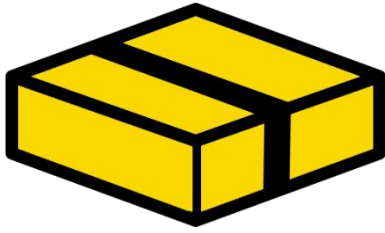

We post books to you on a special tape.

We say **cartridge**.

You listen to the book on a special machine.

We say **talking book player** or **DAISY player**.

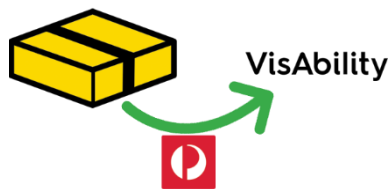

The cartridge comes in a yellow cartridge container.

You do **not** pay for post when you use the container.

We say it is **postage free**.

You post your cartridge back to us in the container.

We get the cartridge.

We put more books on it.

We post it back to you.

You **must** be a VisAbility client to join the postal library.

We give you a form.

You write your information on the form.

Like you write

- what books you want

- what books you do **not** want

- where to post your cartridges.

You can ask someone to help you.
